*"I hope that when people are visiting at the hospital as patients or visitors, they can find some peace in the garden"*  
*-Bill Roseborough*

This garden was made possible through the generous gift of Bill Roseborough, in loving memory of his late wife, Karen.

Created as a space for remembrance and reflection, the Garden of Fond Memories offers a meaningful way to honour a loved one, celebrate a friendship, or recognize the compassionate care of hospital staff.

## How to Order

To dedicate a tribute item in the Garden of Fond Memories, please contact the Hanover and District Hospital Foundation office. We are happy to assist you in selecting a meaningful gift.

We accept payment by cash, cheque, or credit card. A charitable tax receipt will be issued for all tribute gifts placed in the garden.

Please allow approximately three weeks for processing. Once your item is ready, our office will contact you to arrange a time for you to personally choose the final location of your tribute within the garden.
